

SPNSC 2026 Camp Descriptions

Adventure & Science

Science is an adventure waiting to be explored! This year, we're diving into a week filled with exciting experiments designed to spark curiosity and ignite wonder. From slimy, hands-on activities to thrilling, interactive challenges, campers will have a blast as they predict, explore, and discover.

Whether messy, fun, or both, each experiment is crafted to engage the senses and encourage creative thinking. Our goal is to inspire a lifelong love of science and foster a deeper appreciation for the world around us.

Join us for a week of exploration and discovery—where science comes to life in the most exciting ways!

Arts & Crafts

Get ready to get crafty! In this hands-on camp, campers will explore a variety of exciting art and craft projects designed to inspire creativity and self-expression. From painting to DIY creations, each activity is thoughtfully planned to spark imagination and encourage artistic growth.

This “make-it-and-take-it” camp will send your child home with a collection of unique creations—and plenty of creative energy!

Basketball

Our Basketball Camp is more than just a place to learn the game—it's an opportunity for young athletes (grades 6–8) to grow in faith, build meaningful relationships, and develop the character of a true champion.

Each day campers will learn new skills with a strong emphasis on teamwork, conflict resolution, leadership, sportsmanship, and respect, players will come to see how their faith can shape every aspect of their lives—including athletics.

This camp is designed primarily for beginner-level players within each age group, with advanced instruction offered based on demand. We also maintain a recommended instructor-to-player ratio of 1:10 to ensure quality coaching and a positive experience for every participant.

Soccer

Our Soccer Camp is more than just a place to learn the game—it's an opportunity for young athletes in grades 4–8 to grow in faith, build strong relationships, and develop the character of a true champion.

Each day campers will learn new skills with a strong emphasis on teamwork, conflict resolution, leadership, sportsmanship, and respect. Campers are guided to see how their faith can shape every aspect of their lives, including their athletic journey.

This camp is designed primarily for beginner-level campers within each age group, with advanced instruction offered based on demand. We also maintain the recommended instructor-to-player ratio of 1:10 to ensure quality coaching and a positive experience for every participant.

Tag Rugby

Our Tag Rugby Camp is more than just a place to learn the game—it's an opportunity for young athletes in grades 4–8 to grow in faith, build strong relationships, and develop the character of a true champion.

Each day campers will learn new skills with a strong emphasis on teamwork, conflict resolution, leadership, sportsmanship, and respect. Campers are guided to see how their faith plays an essential role in every aspect of their lives, including their athletic journey.

This camp is designed primarily for beginner-level players within each age group, with advanced instruction offered based on demand. We also maintain the recommended instructor-to-player ratio of 1:10 to ensure quality coaching and a positive experience for every participant.

Vacation Bible School

During the final week of camp, children will have the opportunity to experience the beauty and richness of our Catholic faith. Through a variety of activities—including singing, skits, games, crafts, and storytelling—we bring the core teachings of the faith to life in a fun and engaging way.

This week is designed to help children encounter the truth and goodness of the faith while deepening their relationship with God and the Church. It is an enriching experience that combines learning with hands-on activities to inspire spiritual growth and build a strong foundation in Catholic values.
